About the Linux-Presentation-Day

Since 2015 the LPD exists as an event across Europe.

Our goal is to inspire people to use the free operating system.

Two times a year the LPD is held in form of many local, distributed events.

The theme "Experience Linux & open source" is key.

Due to the Corona pandemic, in 2021 the first Online LPD was initiated.

This was received very well and continues with the second LPD in 2021.
