Official LPD logo

Download with transparent background:

[100x50](#) | [150x75](#) | [300x150](#) | [600x300](#) | [900x450](#) | [1200x600](#)

Download with solid white background:

[100x50](#) | [150x75](#) | [300x150](#) | [600x300](#) | [900x450](#) | [1200x600](#)

Licence

The logo uses free graphics and fonts:

- Tux, based on the [original by Larry Ewing](#), in the [version of Victormoz](#)
- [the base for the listeners](#) (Contributor nicubunu unter [CC0 1.0](#) by OpenClipart)
- The used font is FreeSans.
- Licence of the LPD logo: [WTFPL \(1.0\)](#). The logo is “copyright free”.
- It may be used
 - to link to pages of this website
 - to create digital and print material related to an event that is announced here.
 - to report on individual LPD events or the LPD in general.

Note of thanks: The concept for the event and the logo were created by Hauke Laging, the name was coined by Philipp von der Linden. The logo was created by Ralf Vögtle, Annette Kalbow and Hauke Laging using Inkscape.

Vorlagen: Plakate, Flyer, Sticker und mehr

_FIXME Template server not available

You can find a lot of material for print use here:

<https://wolke8.fkn-systems.de/nextcloud/index.php/s/xi4CwKfcrWwCcr>

You may choose from the available files. You may also create a folder with your templates to share with other groups. Licence must be "Free4All". Create a folder with your user group name for it. Add a PNG with the same name to enable a preview.

Examples of LPD announcements of user groups

Get inspired by what others did:

- [Germany, LUG Braunschweig \[BS-LUG\]](#)
- [Germany, Villingen-Schwenningen](#)
- [Germany, Schnee Eifel](#)

Tools for wiki editors

- See font-icons on: <https://fontawesome.com/v4.7/icons/>
- Learn DW-Bootstap on: <https://lotar.altervista.org/wiki/wiki/plugin/bootsrapper>
