

Event schedule / LPD-Online 2022.1

On this page you find everything concerning the **online events**. All and the local events in particular you can find at [LPD dates](#).

Starting may 5th the first videos will be online already.

This way you can get familiar with a topic you're interested in - without pressure.

For video creators we offer [instructions and organization / help channels](#).

Stay up to date!

Until May, 14th 2021 the schedule is a moving target.

Get the schedule as [iCal](#) for your email/calendar program.

At the date of the L-P-D there will be

- **Q&A channels** to further discuss the topic of a video,
- **Theme channels** for live talks and discussions
- **Meet-Kanäle** to casually get to know a user group.

The video of the L-P-D 2021.1 are still available on [media.ccc.de](#).

The video of the L-P-D 2021.2 are still available in the [LPD schedule 2021.2](#).

The videos of the L-P-D 2021.2 will be hosted on

https://l-p-d.org/en/events/lpd_online_2021-2/start as well.

Mind the time windows of the channels, so you don't miss your favourite channel.

Show respect at the L-P-D

There are no recordings of the video conferences. Please also do not record them by yourself.

And most importantly: **Be nice to each other** 😊

Program

We'll have more details in february ...

Nothing of interest? The video of the previous L-P-D (2021.1) are still available on [media.ccc.de](#).
