L-P-D

Online or as local event - the user groups prepare for your visit. Find out what's offered in your region.

[Events](#)

Linux

Secure, fast and sexy.

The alternative operating system is no longer only usable by experts.

[More on Linux](#)

Open Source

Communities **around the globe** with developers, designers, translators, etc. work on free, open source software for you.

[More on open source](#)

Take part

As guest simply come by.

As LUG / organizer Linux user group you can easily **sign up and get started**.

About the Linux-Presentation-Day

Since 2015 the LPD exists as an event across Europe.

Our goal is to inspire people to use the free operating system.

Two times a year the LPD is held in form of many local, distributed events.

The theme "Experience Linux & open source" is key.
