L-P-D

Online or as local event - the user groups prepare for your visit. Find out what's offered in your region.

Events

Linux

Secure, fast and sexy.

The alternative operating system is no longer only usable by experts.

[More on Linux](#)

Open Source

Communities **around the globe** with developers, designers, translators, etc. work on free, open source software for you.

[More on open source](#)

Take part

As guest simply come by.

As LUG / organizer Linux user group you can easily **sign up and get started**.

About the Linux-Presentation-Day

Since 2015 the LPD exists as an event across Europe.

Our goal is to inspire people to use the free operating system.

Two times a year the LPD is held in form of many local, distributed events.

The theme "Experience Linux & open source" is key.
